# SPECIAL OFFER – Working From Home

## Kit Form

If you're looking for a new challenge, and a project to roll your sleeves up for, we can supply the Arkwright Building in kit form. This comes with detailed assembly instructions as well as numbered components. We are also only a phone call away if you need any advice. At The Oak Designs Company we dry fit all of our buildings prior to delivery so we can ensure you have the highest quality building and will not encounter any problems when assembling on site. The Arkwright like all of our special offers can be classed under permitted development depending on your site and where you want to build it on your site, making planning permission completely unnecessary.

If you'd prefer to get the professionals in though our expert assembly team can do the job for you and we can supply that service nationwide. If you have any queries or would like to attain a bespoke quote just get into contact with us today and we'll be happy to help.
